About five years ago while living in Trinidad. Colo., I was so bad with my back that I could hardly get out of bed. A steady, dull ache over my kidneys annoyed me, and often sharp twinges darted through the small of my back. My feet and ankles were swollen, and I could hardly walk. Some years ago I had typhoid fever and this made the trouble worse. The kidney secretions became unnatural and caused me no end of annoyance. My health was much run down, ing used Doan's Kidney Pills before, I decided to try them again. They gave me quick relief, and in a short 'time I was free from the attack.
